

SDC and Office Building Project OFFSITE IMPROVEMENTS

CONSTRUCTION ADVISORY

<u>Week of:</u>	Monday July 26, 2010 – Sunday August 1, 2010
<u>Jobsite Location:</u>	14 th Ave. S.E. and Jefferson St. S.E.
<u>Project Standard Work Hours:</u>	7:00 a.m. – 5:30 p.m.

Major Work Activities This Week:

- Work for installation of underground power, data and communication lines will continue. ***Please note: Steel plates will likely be placed in the roadway as this work progresses in stages, vehicle and bicycle traffic are reminded to please be aware of changed road conditions and slow down while driving thru construction zones.***

Trenching, installation of conduit and backfill activities will be occurring predominately in the following areas:

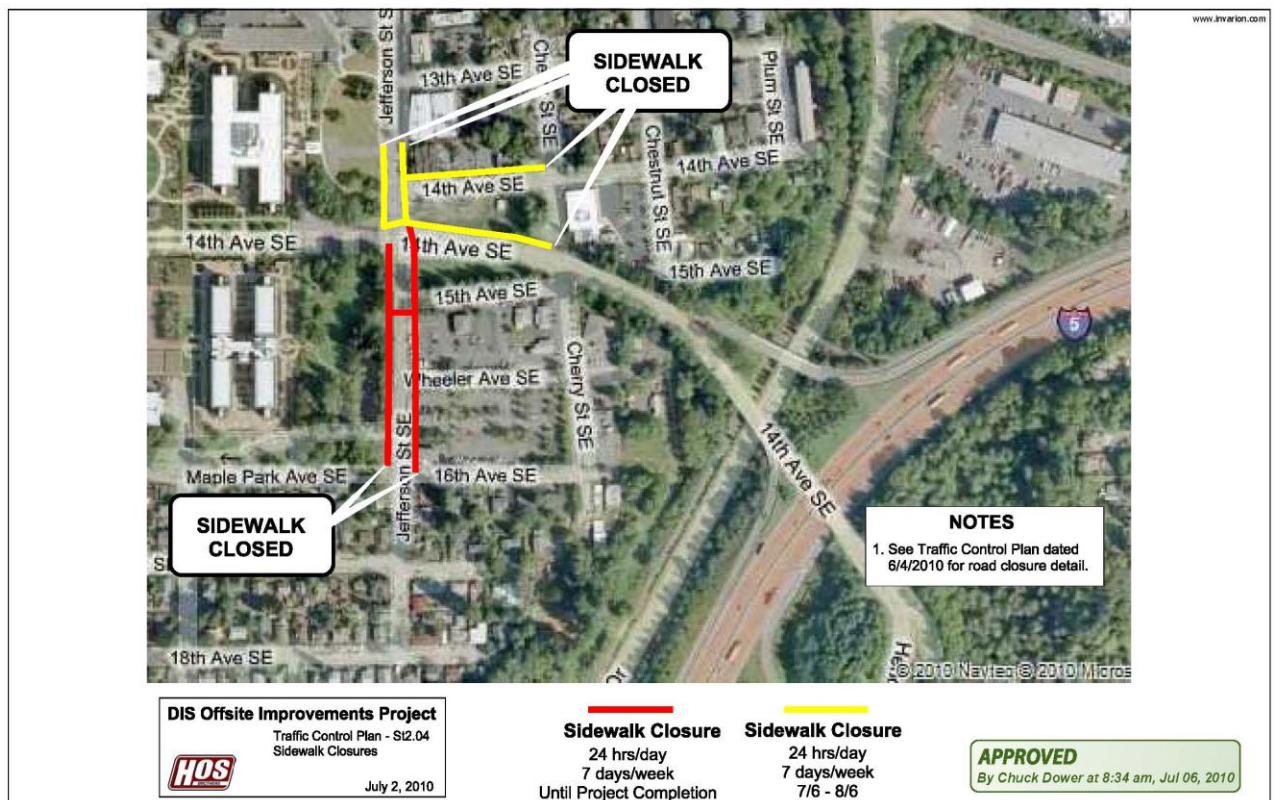

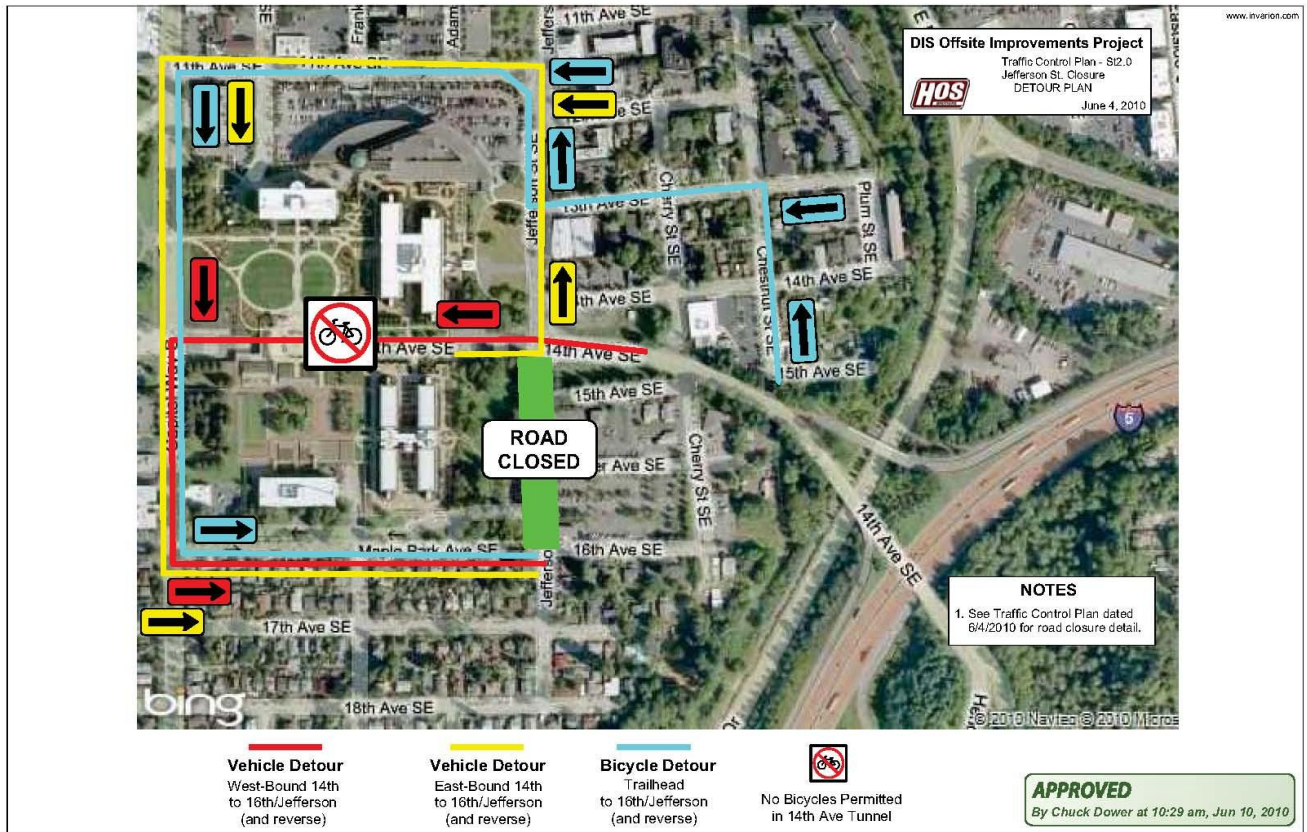

- the south side of North 14th Avenue S.E.;
 - the northeast corner of North 14th Avenue S.E. and Jefferson Street S.E.; and,
 - on Jefferson Street S.E. north of 14th Ave S.E. as required to bring services across the street.
- Surface demolition, grading for curbs and sidewalks and temporary paving on the south half of 14th Avenue S.E. and Jefferson Street S.E. south of 14th Avenue S.E. between 16th Avenue and 14th Avenue.

Non-Standard Work Hours and Activities:

- Ongoing work for installation of underground power, data and communication lines as well as street improvements on Jefferson Street S.E. between 16th Avenue and 14th Avenue will likely occur on Saturday, July 31st, depending on the weather.

Street Closures / Impacts:

- Jefferson Street traffic lanes and sidewalks between 16th Avenue and 14th Avenue will remain closed until the completion of the round-about construction and Jefferson Street improvements currently scheduled to be in mid December 2010.
- North 14th Avenue S.E. between Jefferson Street S.E. and Cherry Street S.E. will remain closed to through traffic until the complete of the underground utility conversions and associated street improvements. Local traffic will be allowed into existing properties from Cherry Street.
- The intersection of 14th Ave S.E. and Jefferson St S.E. will continue to be controlled by a traffic control officer or set to a flashing mode as necessary during construction activities to help facilitate the flow of vehicle, bicycle and pedestrian traffic. Traffic will be stopped intermittently during work in the roadway. Pedestrians will continue to be flagged through the intersection during construction; bicyclists will be flagged when using crosswalks.
- **All vehicle, bicycle and pedestrian traffic are reminded to please watch and obey traffic control officers and flaggers.**

NOTES

1. See Road Closure & Detour Plan dated 6/4/2010 for details.
2. Temporary paving (completed in earlier phases).
3. Business and residential access to be maintained during construction.
